2 MAJOR SITUATIONS TO LOOK OUT FOR YEAR 2018

Date: Wednesday, December 27, 2017 10:21 PM EST

Keep A Lookout but Don't Be Overly Worried

These are the two main macroeconomic trends to keep a lookout for in the following year. Most worries don't come to fruition as regulators and policy makers are not asleep most of the time. After the GFC, there are worries that the European Union might disintegrate over the Greek loan crisis, but they are still standing today.

Technology is the other trend which enhances the productivity of companies. For instance, [3E Accounting](#) uses robotics to allow staff to have face to face meetings even when they have to be at home. Between the productivity enhancing technology and the growth momentum, it is likely that 2018 will be a good year. (Hopefully).
