## Best Incorporation services in Singapore 2018

When you want to enlist the services of an external company to incorporate your business, you might find yourself spoiled for choice. The large amount of companies in Singapore alone that offer incorporation packages is overwhelming. We here at InCorporate.sg would like to simplify the decision process for you. We have compiled a list detailing the best incorporation services, based on user feedback and reviews, in Singapore for 2018.

Bear in mind that there are different categories for incorporation services. We will feature the top two most comprehensive incorporation services (for locals and foreigners alike), the best online incorporation service with the simplest process, and the one that offers the most value for money. Additionally, we'll discuss the best advisory and incorporation service for more complex needs as well as the best service for beginning entrepreneurs.

Without further ado, let us begin.

### Top most comprehensive service: 3E Accounting

First up, we have 3E Accounting, who offers the most comprehensive service. Based in Singapore, 3E Accounting provides numerous professional corporate services including incorporation, accounting, tax, immigration, and secretarial services. Every year, they incorporate hundreds of companies in Singapore. 3E Accounting has a highly credentialed reputation in an international accounting network. They have proven themselves to be reliable and professional in their work.

Their prices are as follows. The Local Incorporation Package costs \$856 for residents of Singapore (while it is \$3317 for Foreigners). More details on the other packages can be found on our [review](#). However, they do charge an additional \$300 should you require a registered office address. If you already have an address, then worry not! For the amounts stated above, 3E Accounting will incorporate your company, provide you with a company secretary for 1 year, and open a new bank account. The Foreigner Package also includes a nominee director and an employment pass should you need one.

## Final Words

So there you have it, the best incorporation services in Singapore for 2018, split into various categories, based on user feedback and our reviews. It is recommended that you take a look at our review as well as their website to really read through their offerings and prices before making an Informed decision. With that said, we here at InCorporate.sg wishes all entrepreneurs the best experience starting their business.

Also, once you have incorporated your company don't forget to leave your own review. Many others in the InCorporate.sg community would love to hear your own feedback too!
