

Families for Life
August 22 at 6:48 PM · 🌐

It was a fruitful morning at the Employer Networking Seminar where 3 progressive SMEs shared their innovative efforts in nurturing a pro-family workplace. This goes to show that employers play a vital role in supporting employees in achieving their family aspirations.

We hope more employers can take the first step and adopt family-friendly initiative on Fri, 6 Sep (Teacher's Day), in support of My Family Weekend 2019.
