· 2 July ·

The embodiment of Singapore's bicentennial history and humble beginnings, the Merlion is made up of a lion and fish. The majestic gold lion with scales in our #MaskForTheNation design signifies our unwavering faith in Singaporeans to be bold and united in our common battle against the COVID-19 pandemic. Being #SGUnited, we are committed to building a brighter future for all Singaporeans.

#MaskForTheNation #SGUnited
#SingaporeTogether

Koo Poh Mei and Mentary like this.
