Thanks for the feedback Lawrence Chai. It's always great to hear!

"I am grateful to be selected for the Institute of Singapore Chartered Accountants Future Leaders programme. With the guidance of consultant Mark Holton, I was able to set up a Business Advisory team in 3E Accounting to grow revenue in new and diversified streams. As SME business owner, the leadership training helped me to improve overall operational efficiency for the firm."

LAWRENCE CHAI
FOUNDER, 3E ACCOUNTING
SINGAPORE AND MALAYSIA
